THE POST-DISPATCH NAMES TJ WIES CONTRACTING A WINNER OF THE GREATER ST. LOUIS AREA 2018 TOP WORKPLACES AWARD

ST. LOUIS, MISSOURI, June 25, 2018 — TJ Wies Contracting, Inc. has been awarded a 2018 Top Workplaces honor by The Post-Dispatch. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said Doug Claffey, CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

Tim Wies, President of TJ Wies Contracting, explained, “My philosophy is hire great people, coach them up, treat them well, and provide honest feedback. If you do this, they will strive for success and therefore treat you well. Recognition as a Top Workplace just reaffirms that at TJ Wies we’re doing something right. Success is a byproduct of happy and fulfilled employees.”

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
